Last week, Defendant's counsel was unexpectedly directed by a District Judge in a different matter (currently pending in the U.S. District Court for the Eastern District of New York) to comply with an Order requiring its client to produce further documents/information and to provide briefing on several legal issues *within one week*. This required Defendant's counsel's immediately attention and thus, Defendant requests a one week extension of the deadlines in the Court's briefing schedule in this matter to complete its papers. This is the Defendant's second request for an extension of the deadlines in the Court's Briefing Schedule and Plaintiff has no objection to the relief requested herein.

Thank you for your consideration of this matter.

Respectfully submitted,
